Re: ID# C00039578
Form 99 (submitted electronically 10/16/06)

Dear Ms. Trainer,

This letter responds to your request for additional information dated September 1, 2006, with regard to the Council of Insurance Agents & Brokers Political Action Committee (CouncilPAC) 2006 August monthly report.

You had identified several contributions which CouncilPAC designated for the 2006 Primary that were made after the primary date.

CouncilPAC had intended to make the contributions for the next scheduled election but had inadvertently designated them for the primary election instead of the general election.

Because the contributions were received by the recipient committees in excess of sixty days ago, CouncilPAC has sought, and received, refunds for each of the contributions noted. CouncilPAC will disclose the refunds on its next scheduled disclosure report.

The physical documentation is being sent via Fedex effective today s date.

If you should have any questions about these issues, please contact our PAC counsel, Corey Rubin, at (202) 342-8470.

Sincerely,

Ken A. Crerar
CouncilPAC Treasurer
